Book Club Recommendations

For the past several years, Door of Hope has made summer book clubs part of its regular rhythm. In an age of short attention spans and tweet-length reporting, taking the time to read and discuss good books in community is a great way to take a deep dive into subjects that Christians ought to be thinking about. This is a compilation of all the books we've suggested for book clubs over the past several years. If you're looking to grab a few friends and read something together, each of these is worth your time.
